

Your Partnership Fuels Kentucky's Future Workforce

June 26th-28th, 2025

FIRST empowers students in grades preK-12 through hands-on STEM and robotics programs. Run for the Robots is a Premier FIRST Tech Challenge event, inviting top middle and high school teams worldwide to Kentucky for a once-in-a-lifetime experience.

Our students are learning to collaborate and challenge each other - respectfully! That's a FIRST.

FIRST students show STEM gains:

1.4 x

STEM Career

2.2x

STEM Interest

2.5x

Computer Science courses among female students

Invest in tomorrow's leaders TODAY!

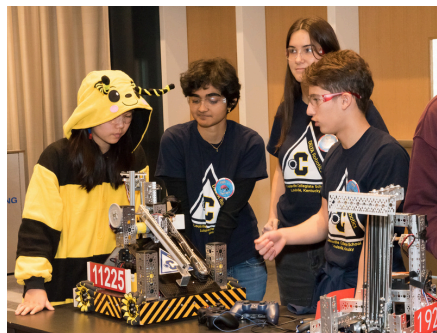

"x" times more likely to show gains in, than peers; * by their fourth year of college; All differences statistically significant, p<0.05
